### Request for funds form Pacific Grove High School Alumni Association

Part of the purpose of the PGHS Alumni Association as per its bylaws is: “to present scholarships and help with projects to benefit the Pacific Grove High School and/or its students, if funds are available and if the Board of Directors in office elect to do so.”

The purpose of this form is to aid the applicant in making such requests and assist the Board of Directors in their consideration of such requests. All awards are decided by a majority vote of the P.G.H.S.A.A. Board of Directors.

As the Board of Directors meet only a few times a year, a timely and early submission of this form is suggested.

This form is only meant as a guide for your request. **You are encouraged to include any other documents, plans, drawings, photographs, testimonials etc. that will further aid in our decision process. In some instances it may be in your favor to invite a couple of Board Members to view your objective or function, where applicable, thus giving the board a clearer picture of your fund request.
